Alleluyah

Let my people sing again

*Chorus: Lay down brother weep for Zion
By the waters of Babilon.*

*I remember the glow i remember the glory
Of Jerusalem so well
I remember the day Babilon the drestroyer
Came and Jerusalem fell.*

*Oh lord how could we
Sing in this land set me free
And I'll take down my harp
From the weeping willow tree
Then the songs of Zion
Then the songs of Zion
Will sound again
Will sound again.*

Chorus: Alleluyah, Alleluyah

alleluyah praise the Lord

Alleluyah, Alleluyah

Alleluyah praise the Lord

*Chorus: Lay down brother weep for Zion
By the waters of Babilon*

*I remember the milk and the honey the freedom
That we lost and the tears we shed
I remember the sword and the people of edom
And how Jerusalem bled.*

*Ho Lord how could we
Sing in this land set me free
And I'll take down my harp
From the weeping willow tree*

Chorus: Alleluyah, Alleluyah

Alleluyah praise the Lord

*Chorus: Lay down brother weep for Zion
By the waters of Babilon*

Alleluyah

Set my people free again

Alleluyah

Let my people sing again.

*Chorus: Lay down brother weep for Zion
By the wathers of Babilon*

Lay down brother weep for Zion

By the waters of Babilon.
